than  
winning.

The AKC National Owner Handled Series (NOHS) is a celebration of the dedication and enthusiasm of our owner-handler exhibitors. In this series, owner-handlers compete head-to-head accruing points along the way, eventually leading to the NOHS Finals\*. The entry process is simple, requires no additional fee, and is a great way to recognize the hard work of owner-handlers.

Ask your local all-breed or specialty club to offer this exciting competition. See below for an upcoming show in your area or visit [akc.org/ohs](http://akc.org/ohs) for more events and information about participating in the NOHS.

\*The NOHS Finals are held in conjunction with the AKC/Eukanuba National Championship held in Orlando, FL December 11, 2015.
